Education Department

Directorate of Education

No. DE/Acad.I/SEZ/QUE/11/82/257

- Read : 1. Letter No. DE/23/84-85 dated 18-2-1985 from Don Bosco High School, Sulcorna regarding opening of Std. VIII during the year, 1985-86.
2. Report from Dy. Education Officer, Margao No. SEZ/Acad/Permission/85/1814 dated 10-4-1985.
3. This office letter No. DE/Acad.I/SEZ/QUE/11/82/1266 dated 7-5-1985.
4. Letter No. DE/33/84-85 dated 30-5-1985 from Don Bosco High School, Sulcorna.
5. This office letter No. DE/Acad.I/SEZ/QUE/11/82/1529 dated 7-6-1985.
6. Letter No. DE/44/85-86 dated 16-9-1985 from Don Bosco High School, Sulcorna.

Order

The Management of Don Bosco High School, Sulcorna, Rivona-Goa applied for permission to open Std. VIII during 1985-86 vide its proposal cited at S. No. 1 above. Feasibility report was called for from the Dy. Education Officer, Margao and the report listed a number of inadequacies and deficiencies which were pointed out to the Management by the

Directorate letter dated 7-5-1985 vide letter cited at S. No. 3 above. The Management was instructed to comply with the deficiencies by 31-5-1985 and was also advised to communicate its willingness whether it is agreeable to manage the VIII class by appointing teachers at the Management's cost in view of the strict economy measures from Govt. of India.

The Management instead of complying with the deficiencies, approached the Directorate vide its letter dated 30-5-85 stating that it would comply with the requirements in due course of time and sought permission to open Std. VIII. This letter was replied by the Directorate vide letter dated 7-6-85 cited at S. No. 5 above stating that permission to open Std. VIII will be given only on fulfilment of deficiencies pointed out and nothing was heard from the Management on this account till September, 1985. The matter was closed as far as the Directorate was concerned, because no permission for opening of secondary classes can be given after one month of re-opening of schools after summer vacation and the last date for applying for recognition by the G. D. D. Board gets over by the 15th day of July of the particular academic year.

The Management referred the case of complying with the deficiencies vide its letter dated 16-9-1985 at S. No. 6 above and it was too late for the Department to consider the request for the year, 1985-86. However, from the correspondence it appeared that the Management unilaterally at its own responsibility started VIII class and created a problem for the Department and for the school.

Under the circumstances, the matter was examined from all angles and the same was placed before Govt. for decision. The Govt. could not appreciate the way in which the things were handled by the Management and started Std. VIII at its own responsibility taking the things for granted that the permission would be granted by the Department at any time of the academic year. Therefore, Govt. has decided not to grant permission to open Std. VIII during the year, 1985-86 on the grounds that no permission for new classes can be granted as late as September/October and no recognition for the class from the S.S.C. Board is possible as the last date for applying for recognition is 15th of July of a particular year and as such the permission sought is refused.

However, if the Management is keen to start VIII class during 1986-87, the Management may apply for the same well in advance and the students enrolled if any during 1985-86 in Std. VIII may be advised to join some other neighbouring schools for this academic year and the Department will take the responsibility of granting late admission to the pupils in the schools where the admission is sought.

L. Tochhawng, Director of Education and Ex-Officio Additional Secretary to Govt. of Goa, Daman and Diu.
